### **ARTS SCHOLARSHIP**

The Rusk Area Arts Alliance (RAAA) is an organization with a mission to promote the arts within our Rusk County area. One of the ways in which we hope to promote participation of our citizens in the arts is to offer scholarships to high school seniors who intend to major in one of the arts in post-secondary education or college. These arts include the visual arts, any form of music, drama, dance, and writing. The scholarship is \$500, which should help a little with first-year tuition or expenses.

Enclosed is an application form, to be given to the student or students you feel are talented and authentically interested in majoring in one of the arts. The application is not difficult to fill out, but we would really like to hear why the applicants think they deserve such a scholarship and how they plan to participate in the arts in post-secondary education and later in life.

We are also sending this letter to the other staff in your school who participate in vetting students for scholarship consideration, so you may want to confer with them at some point. More than one student may put in an application, and in the spring our scholarship committee will consider them all. There is one scholarship allotted for each public high school in Rusk County. Let me emphasize, this is for ALL FORMS OF ART, not just visual art. Please return the applications by APRIL 1, 2022, to the address below.

Sincerely,

Ruth Meszaros, Secretary of RAAA  
and chair of the Scholarship Committee  
c/o RAAA
