Student Name: _____

Date: _____

Dear Bruce Elementary Families,

Bruce Elementary students receive 30 minutes of Intervention time daily. During Intervention time, each of our students are given an opportunity to work at their academic “just right” level. Students are provided with explicit instruction and frequent opportunities for feedback and practice. We use formal and informal assessments as well as observations to determine how your child might best be served during Intervention time. We place students in Intervention groups and work with them for approximately 6 – 8 weeks. Typically students who have the greatest academic needs are placed in the smallest groups. A new intervention time is just beginning.

Your child will be working with: _____

Your Child’s Intervention group will be focused on:

- Basic Reading Skills
- Reading Fluency/Phrasing
- Reading Comprehension
- Guided Reading
- Reader’s Theater
- Math Calculation/Facts and Number Concepts
- Math Problem Solving
- Written Expression
- Other

Your Child will be working in a group that is:

- Extending beyond grade-level target
- Focused on grade-level targets
- Accelerating learning to meet grade-level targets

In addition:

- The enrichment group that your child is in is considered an extension to your child’s learning.
- The intervention group that your child is in is considered a selective intervention and we will be regularly monitoring your child’s progress.
- The intervention group that your child is in is considered an intensive intervention. We will be monitoring your child’s progress on a weekly basis and sharing that information with you.

Please note that intensive interventions are not part of a Special Education Plan for your child nor does it imply your child will be receiving Special Education services. However, as a parent, you have the right to request further evaluation for Special Education at any point during this process. Please contact us if you have any questions. We look forward to supporting your student learning this school year!

Sincerely,

Bruce Elementary Staff
